■ 1966

Dear Ross -  
 This year  
 was fun. I  
 enjoyed all of Mr. Lundy's  
 assignments. I didn't  
 mind his fair tests. Math was  
 so much more exciting. You were  
 always so eager to show me how  
 to do the problems. I know!  
 Confirmation was fun. This  
 year too. It was so nice  
 to have someone like you  
 standing next to me during  
 our part of the service.  
 I'm looking forward (?) to  
 having you sit behind  
 me in one of my classes  
 again next year.  
 Good luck.  
 Love  
 Cindy  
 (Rubin)

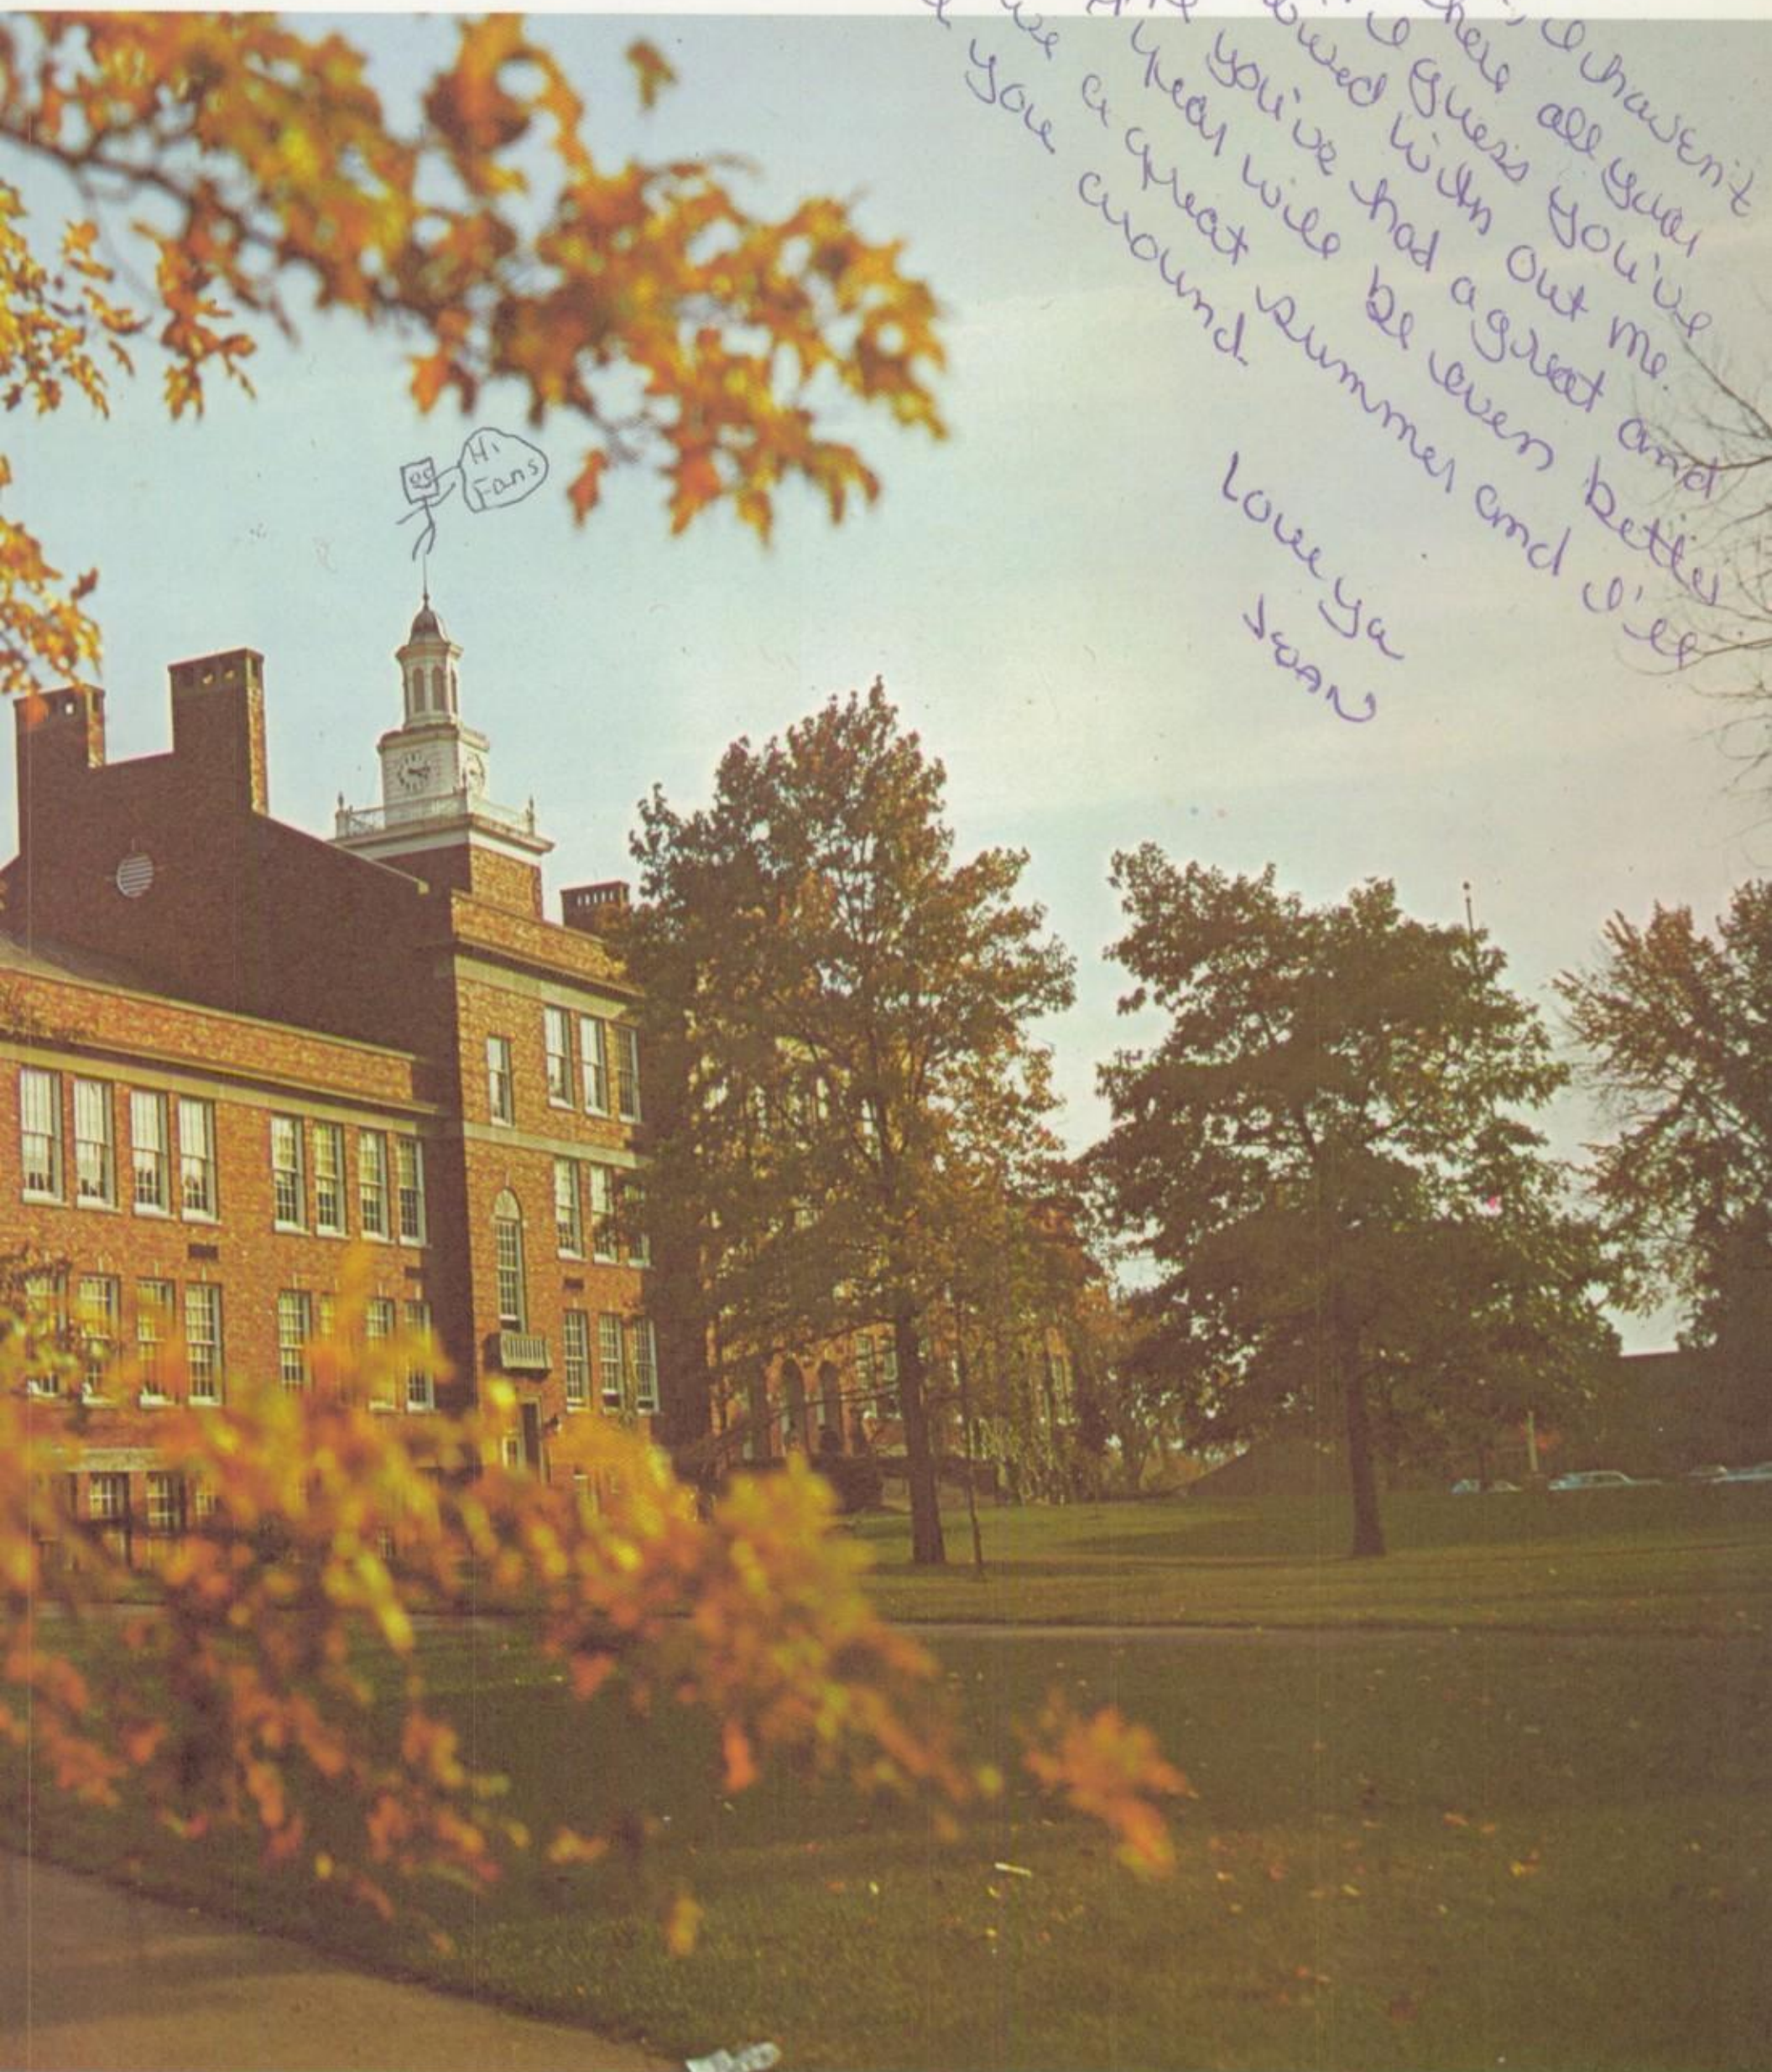

Ross - To just about the best L.F. Major General I know! Been great hour  
 knowing you since we were both little punks! Hope I'll see you a lot in the  
 future. (Remember Mr Lundy and Mr Miner!) John Scala

Ross -  
 Good  
 Soc.  
 Stu.  
 Class?  
 Are  
 you  
 taking  
 this  
 EN  
 thing  
 next  
 year?  
 Good  
 luck  
 on  
 the  
 final  
 and  
 in  
 every-  
 thing  
 you  
 do.  
 Sally

Well, I haven't  
been there all year  
but I guess you've  
survived with me.  
Hope you've had a great and  
next year will be even better  
Have a great summer and I'll  
see you around.  
Love ya  
Joan

Ross,  
 Next time,  
 when you turn the TV  
 on, close the door. That  
 way bush leagues like Gary and  
 me can't see you and laugh for  
 2 hrs. Better work on your B-ball this  
 Summer. Then you can be Varsity B-ball  
 Fame. Be good this summer (with Iane  
 & Iane). If you're good, maybe  
 let you in his room for longer than two and a  
 half

Dear Ross,  
 Well, our year with  
 Miner is over. It's been  
 a very nice study hall  
 since you decided to stay  
 in this horrible C.E.D.  
 course. I'll wish you  
 good luck. You'll need it!  
 in the picture of your  
 team! Come by and see  
 the house sometime this  
 summer. I won't be home.  
 Love,  
 Chris

Ross,  
 Well seventh period  
 study hall has been great.  
 To bad the teacher couldn't have  
 kept quiet. Good luck on Finals  
 & have a great summer.  
 Love

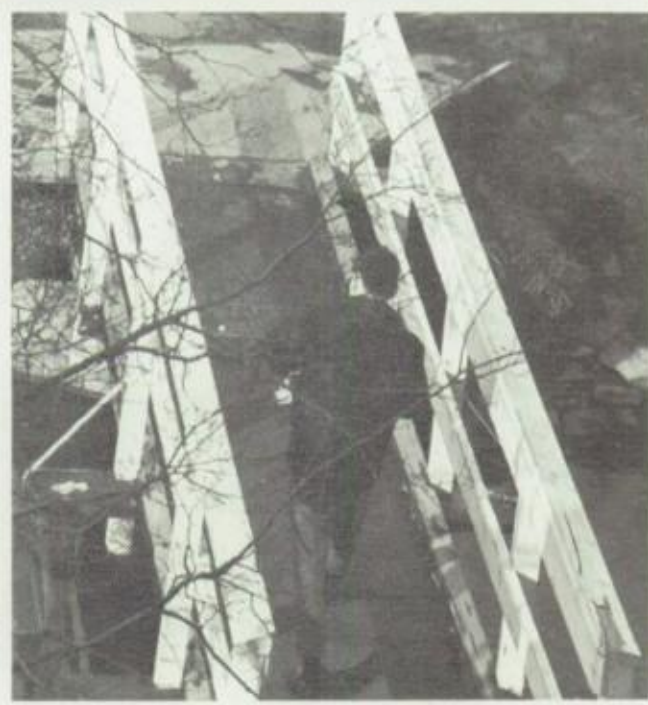

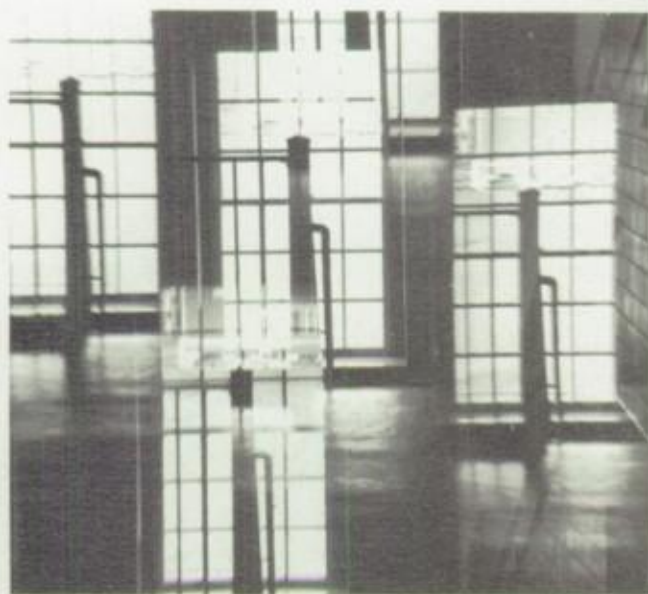

Ross-

What can I say,  
 It's been great knowing  
 you - from 6th grade - help.  
 For bad we don't get along.  
 Be good. Sorry I broke  
 your seat (car). Sorry we  
 went to time you're in Egypt

P.S. Next time you'll Gary drive over  
 and I'll make sure not

Ross -  
 guess what were having another test in English  
 day. Maybe Miss C. band will be in a good mood  
 he's getting married you know, (would you believe?)  
 well! back to his own. Have a great  
 summer  
 Lou Barb

Ross -  
 Knowing you in Gym and Study Hall this year has  
 been a real lot of fun. I know you'll do well on your  
 finals - Have a good summer and I'll see you next year.  
 Bestest,  
 Jeff Heller

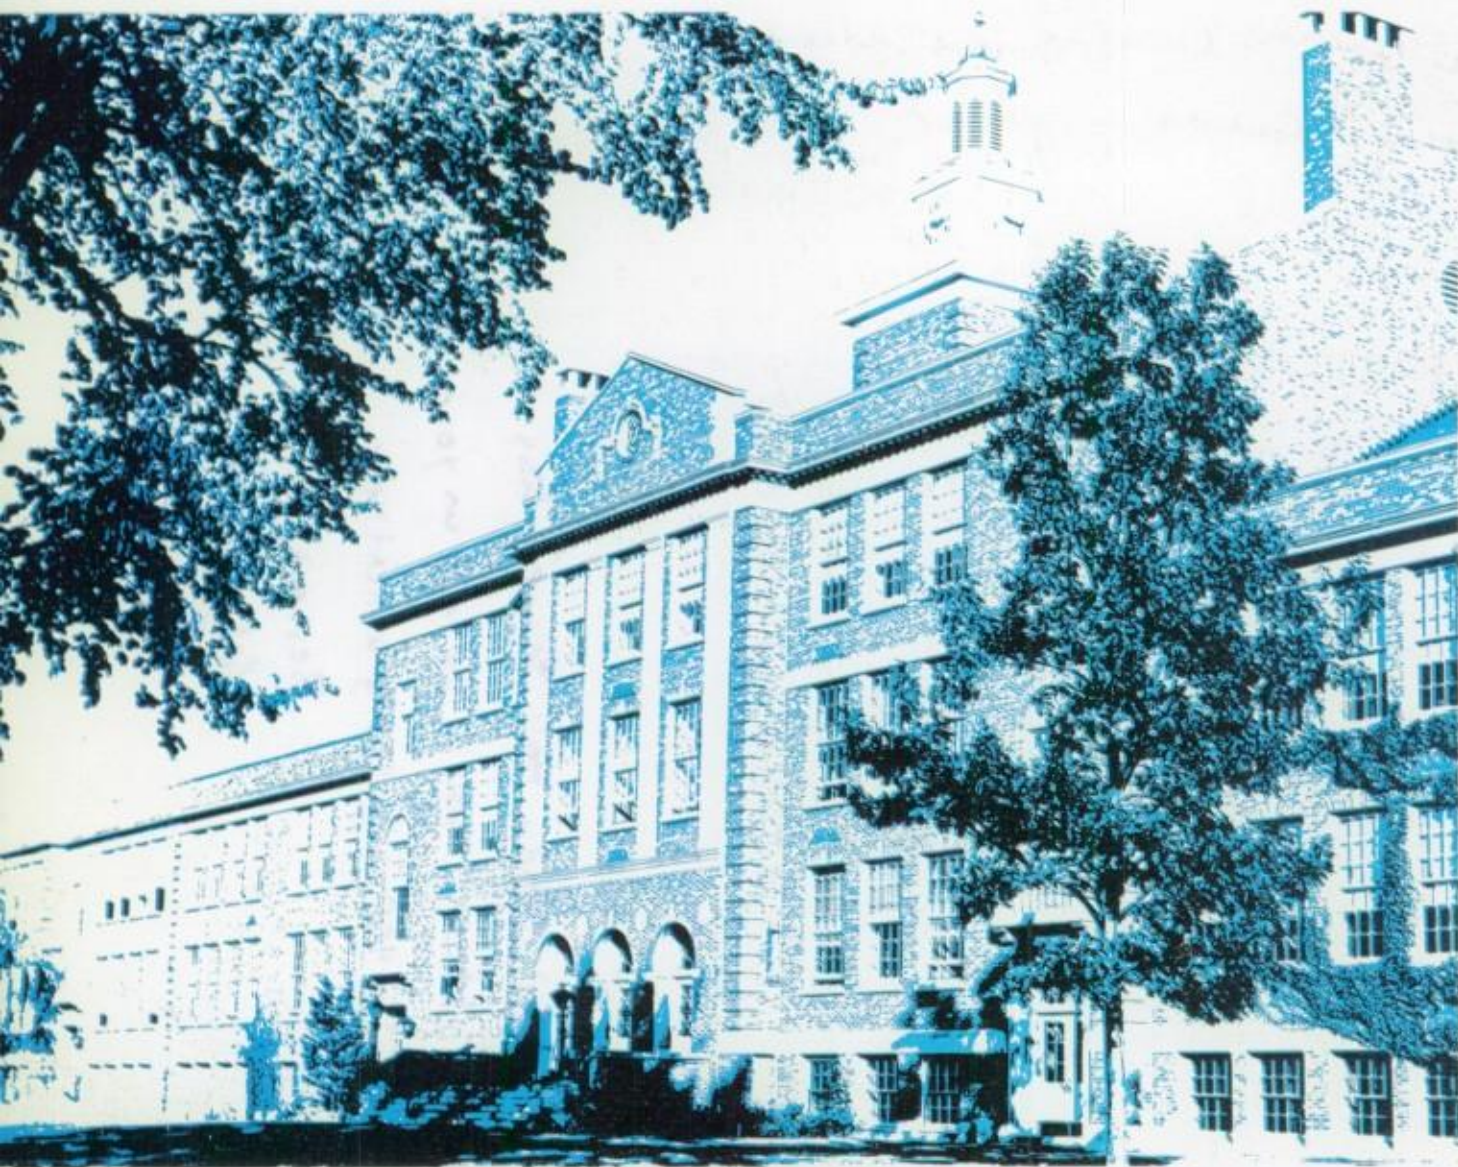

Dear Ross,

This year has really been great, & it's kinda hard to  
 believe it's almost over. I'd say it turned out pretty  
 good for both of us & we should have a great summer.  
 The 4 of us will have to get together a lot - OK?  
 And when you get your license, don't forget about  
 us. Just think, next February it will be 3  
 years - even though both of us are the farthest  
 thing from loyal! I'm really glad everything  
 worked out so well for you though - You deserve  
 it. Iren's really lucky.

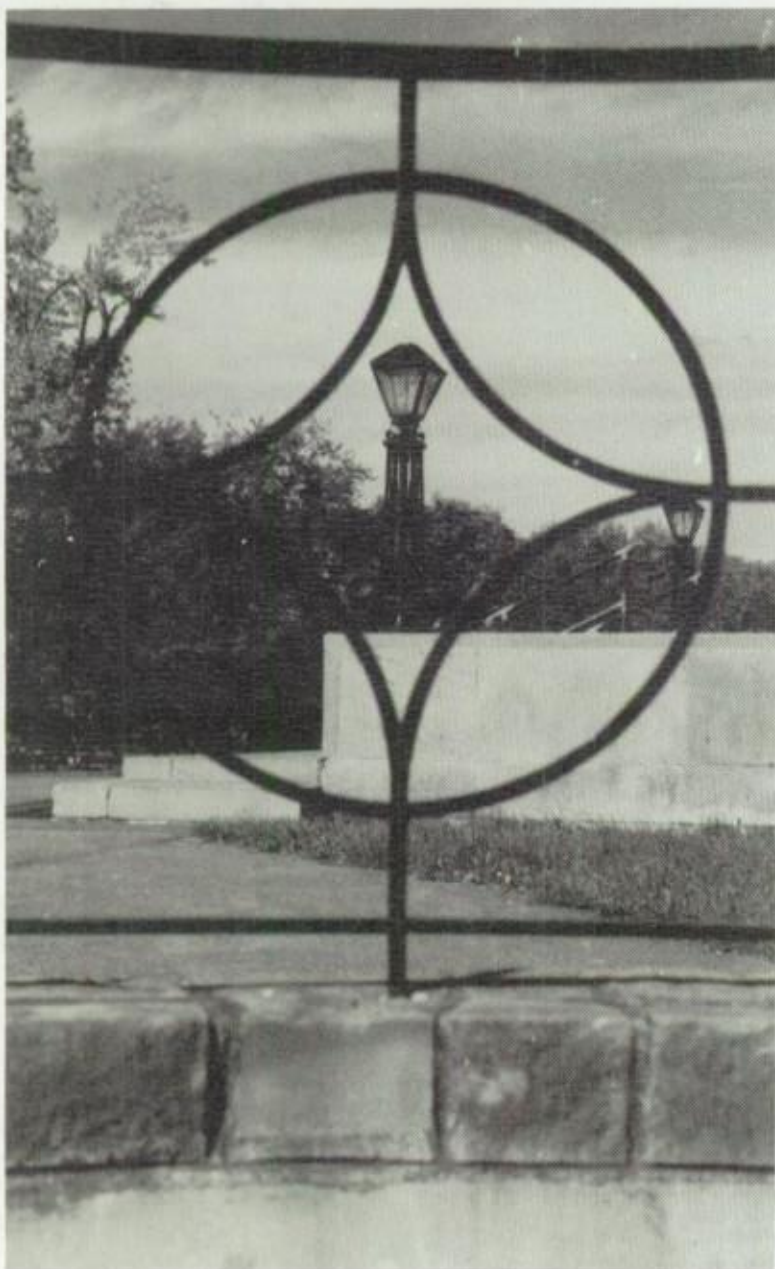

Next year I expect to see you on the Varsity  
 B-ball team & playing as great as you did this  
 year. We've been through a lot together, ever since  
 3rd grade & have still managed to keep a  
 great friendship going. I hope we'll stay great friends  
 forever. Maybe next year <sup>we'll</sup> be in a few classes  
 together, just like our freshman year. Well, Ross, best  
 luck in EVERYTHING & don't change - You're a great guy & a  
 true friend. You wrote this in my yearbook last year & I mean it  
 - If you ever need a friend, I'm here.

Ross,  
We're sure had  
fun in homeroom  
and deal of Mr.  
Levey's class.  
(How could we ever  
forget it!) Best  
of luck in the  
future and on  
your finals. Have  
a great summer  
Love,  
Jul

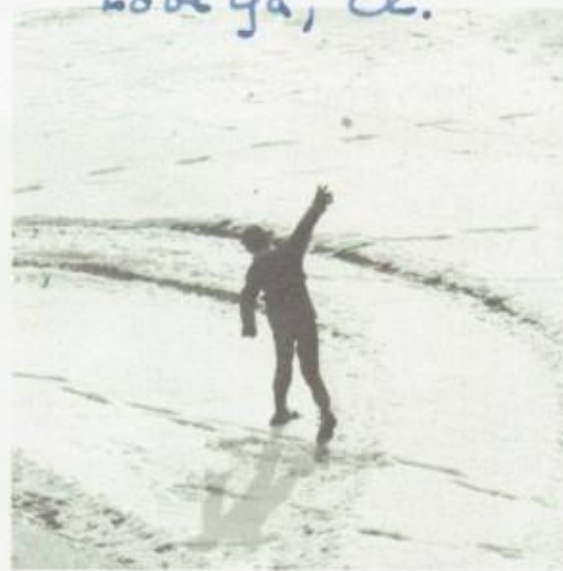

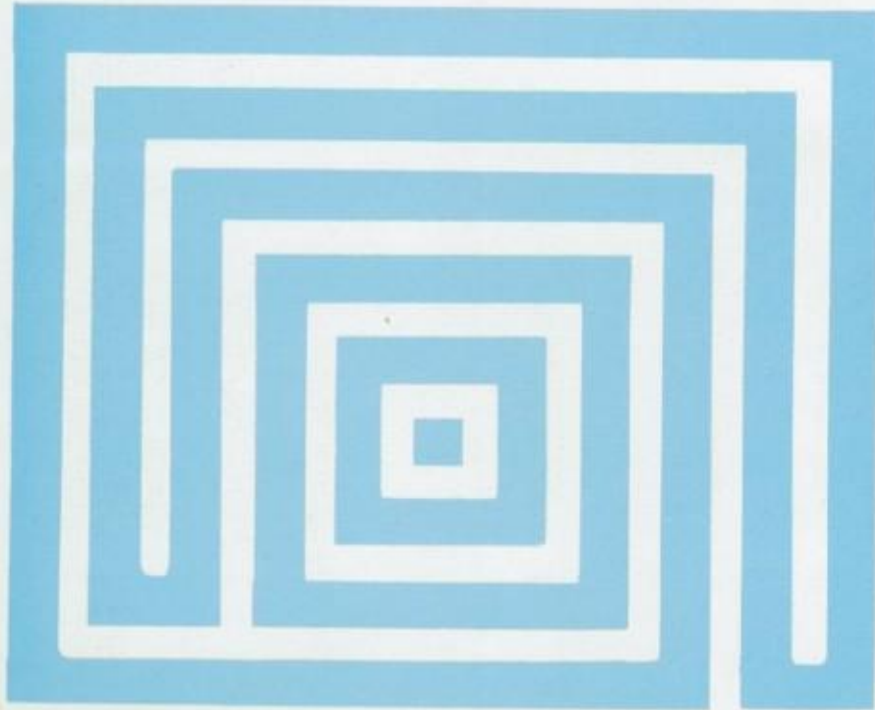

## Dedication

For the past five years a dedicated teacher has quietly guided each new Crossroads staff through the trying perils of publication. His belief that a job worth doing is worth doing well has spurred each staff to put forth its maximum effort. In the classroom, he has instilled in the individual student a desire to perform at the peak of his capacity. As a friend he has willingly listened to us, yet he has taught us the value of making our own decisions. For his unfaltering loyalty and for his devotion to the highest standard of living, we dedicate the 1966 issue of Crossroads to Mr. David Bradley Smith.

Dear Ross -  
 You're a great basketball player -  
 too bad I never saw you play  
 well, next year . . .  
 Didn't we have fun on our  
 little walks with my baby?  
 Someday I'll learn how to  
 steer a stroller.  
 Well, have fun this summer  
 & good luck with everything  
 - including Irene!  
 Love ya, El.

Ross,  
 We have  
 had a great  
 year. This day  
 of the thing I  
 love you.  
 I wish  
 you could have been  
 here. I wish  
 you could have  
 great time a year  
 poster party. Have  
 a good summer  
 and don't do  
 anything  
 stupid.  
 Love  
 El.

Rochester, New York

Dear Ross,  
 Well, we've been  
 through a lot  
 together this year.  
 I watched you become  
 an all-county B-ball  
 star while I sat on the bench.  
 Maybe I'll be able to watch you  
 develop into the All-county goalie too.  
 You've finally gotten yourself a girl after  
 going through about ten romances. It's really  
 been fun being best friends with such a  
 complete doof - O. Just remember  
 a muscular level like you do now  
 Don't get too fat over the summer.  
 Lots of luck  
 David

Dear Rose  
 Well, the years finally  
 coming to an end I'm really  
 glad that you and I were  
 able to become good friends. Soccer  
 and basketball were fun especially  
 the first day of soccer when we ran eight  
 hours. I'm really glad you passed your  
 driving test cause now we can both go  
 cruising around. I don't know how you  
 did it but you got a girl friend. I know  
 that you'll have a good time with her  
 I hope next year you be able to make  
 Bill Smith to 0 points - now wouldn't  
 that be exciting - maybe you will make  
 all-county too!! So, have a great  
 time this summer at camp and I  
 really hope that we can get together  
 many times in our summer years of high school  
 and even though we won't meet and on your future  
 goals, when I've become to know you  
 this year I can really appreciate  
 what a great guy you are

Rose,  
 It's been fun this year on the soccer & basketball team. I'm basketball you were a  
 and in soccer you were a, well... You have a great voice I'm sure you'll get  
 an offer from another band.  
 Good luck  
 Andy

Dear Ross,  
 It's been a pleasure knowing a young man like you. I say this but you are a better basketball player than me. Good luck next year as a goalie, and in basketball. You're going to be the hero. I promise to watch you from the sidelines. Good luck on finals & have a good summer.  
 Sincerely,

## Board of Education

After many years of planning, the Board of Education finally realized its goal this year when the residents of Brighton voted in favor of centralization. In order to make this merger a successful one, the board has been considering problems of public relations, financing, and administration.

**STANDING:** Robert T. Morrow, Floyd J. Kirkham, Theodore L. Lytle, Herbert S. Elins, William Z. Harper. **SEATED:** Mrs. Arthur E. Clark, Mrs. Rudolph Angell, J. Donald Fewster, Mrs. Miriam K. Corris.

Dear Ross,  
 What a place to sign - under the watchful eyes of the Administration and the Board! The only place I saw you this year was in Physics Lab - a place where neither of us should have been! Have a great summer (remember to keep physically fit and mentally alert) and don't study too hard for physics (It's not worth it!). I hope I don't see you in summer school! Best of luck always,  
 Barb

Ross,  
 I've been great  
 being in the same gym  
 class with you. You're  
 really quite an athlete and  
 a very nice guy. Good luck on  
 your finals even though you  
 probably don't need it.

## Administration

Fred B. Painter

As Superintendent of the Brighton #1 Schools, Fred B. Painter assumes direct responsibility for all aspects of the educational program of the schools. Acting as a liaison between the people of Brighton and the School Board, Mr. Painter brings before the board new ideas and sees that the directives of the board are carried out. Mr. Painter is also President of the New York State Council of School Superintendents.

Alice L. Foley

Because of her genuine interest in the education of the students of Brighton, Alice L. Foley has filled her position of Director of Instruction with sincerity and dedication. This year her major concern was to help in the coordination of curriculums of the schools of Brighton Districts One and Two. In addition to her work in the Brighton Schools, Miss Foley was again elected President of the New York State Teacher's Association in recognition of her outstanding ability as a leader and an educator.

Joseph R. Sproule

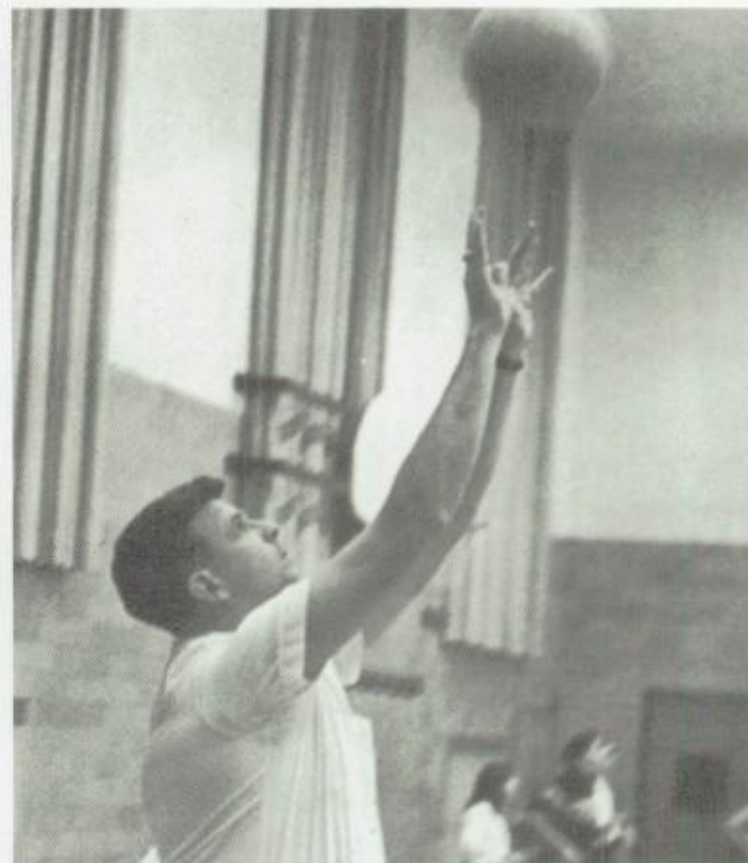

Dr. Sproule, the Assistant to the Superintendent, is responsible for recruiting new teachers and carrying out directives from Mr. Painter. He is also editor of the "Newsletter", a quarterly publication circulated to all Brighton taxpayers.

## Principal

Dr. William H. Greenham has displayed a dynamic leadership which has won the admiration of students, teachers, and parents. He has demonstrated his administrative abilities by maintaining the high standards of education at Brighton High. This year the seniors had the opportunity to take advantage of Dr. Greenham's broad musical knowledge in their English classes.

## Vice-Principal

Miss Handel's sense of fairness and her unusual faculty of knowing the names of most of the students at Brighton are only two of the reasons why parents, teachers, and students alike admire and respect her. As Vice-Principal, Miss Handel acts as a link between the students and the administration. She is in charge of school discipline and helps to coordinate extracurricular activities. Miss Handel is also an ardent fan of Brighton's many athletic teams and attends many of the games and meets.

## Guidance Department

The Guidance Department, headed by Mr. Chapin, is available to help teachers, parents, and students with problems that arise throughout the year. One of the biggest jobs of the department is to help juniors and seniors plan for the future. College catalogues and other literature are made available to the students through the department. To facilitate the work of the department, this year's scheduling was done with the aid of an electronic computer. Mr. Worl, the school psychologist, also works through the guidance department.

**STANDING:** Miss Lewandowski, Mr. Closson, Mrs. Craig. **SEATED:** Mr. Toepfer, Mr. Chapin, Mr. Lembo.

# SENIORS

Dear Ross -

well - what can I say? maybe I should just say thank for being so great. you're really one of nicest guys I've ever met. I don't know how to thank you enough for saying all that stuff to the shiners for me. That was really a riot. I did want you to ask them to sign my year-book, but they can't because Shepard put missiles on their pictures. Well Ross - I've known you for two years. Last year we didn't hit it off too well (because of Jane) but this year we've really become good friends. I really think you're okay! So - good luck on finals and I hope we continue to be good friends all through the rest of high school.

Love Always  
-Roo

## Senior Class Officers

Treasurer Skip Sturman, President Glenn Lytle, Secretary Linda Williams, Vice-President David Cross.

Under the leadership of the Senior Class officers, the Senior Council has been active in planning the various money-making activities which are essential in financing the Senior Banquet, Senior Ball and the graduation ceremonies. Among these activities this year have been the Brighton-Pittsford Post Sale, four one-act plays, and a newspaper drive.

## Senior Council

**STANDING:** S. Rappaport, C. Keim, M. Olsan, R. Hicks, T. Nickel, R. Russell, B. Gordon, C. Allen, L. Moore, D. Minett, J. Berger, M. Goldstein, E. Appelbaum. **SEATED:** I. Salomone, M. Young, J. Barnes, D. Cross, G. Lytle, L. Williams, S. Sturman, B. Kucker.

"If you wish to reach the highest, begin at the lowest." — Syrus

Freshman year . . . what a shock! Gone was our position as leaders of such activities as the notorious Junior High lunchroom boycott. We approached the high school with a mixture of awe, excitement, and hesitancy. We eventually discovered that BHS was not actually a huge maze which swallowed up timid freshmen and we began to feel a part of the school. Under the able leadership of Bill Shineman, Jim Berger, Skip Sturman, and Paul Braverman we began to get our bearings. Brighton's first Homecoming weekend was an exciting introduction to high school life. Our first fund-raising project was a light bulb sale. It was launched at the same time that light bulb smashing became a popular fad among upperclassmen. The climax of the winter sports season was the basketball team's heart-breaking loss to East Rochester in the semi-finals of the Sectionals. Linda Williams, Kathy Hutchins, Rena Allen, and Barbara Kucker cheered our freshman and Junior Varsity teams to victory.

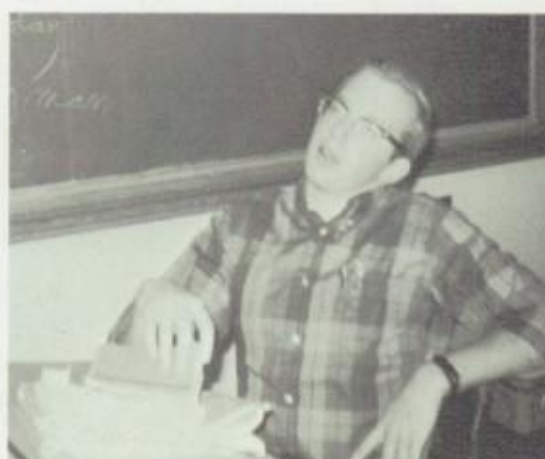

Our sophomore year included vigorous and very successful magazine and sweatshirt sales. These activities were enthusiastically led by Sophomore Class officers Dave Cross, Pete Lindsay, Skip Sturman, and Paul Braverman. Linda Williams, Kathy Hutchins, Judy Reichsman, and Leigh Anthony led our cheers as a fighting Barons football team gained the Central Western Conference title. In the Student Council elections held that spring, John Buttrill and Pauline Yu were elected Treasurer and Secretary, respectively.

As our Junior year commenced, Dr. William Greenham succeeded Mr. Leonard B. Smith as Principal of BHS. David Cross, Bob Meisel, Pauline Yu, and Margie Young were chosen as Standard Bearers from the Class of 1966. Under the energetic leadership of John Richards, Dave Cross, Lyn Moore, and Linda Williams, we augmented our treasury with a car wash and a paper drive. Linda Williams, Kathy Hutchins, Barbara Kucker, Leigh Anthony, and Pauline Yu bolstered school spirit by cheering for BHS athletic teams. The girls cornered the helpless boys, as the Junior Y-Teens sponsored the turn-about Dance. "Irish Eyes Are Smiling." At the Junior

Prom, "Carnival," John Richards and Linda Williams were crowned King and Queen. Later that spring, Pauline Yu, Judy Cravets, and Margie Young were named editors of CROSSROADS, TRAPEZOID, and GALAXY, respectively. Carol Bonnar was chosen as Brighton Harvest Queen for 1965-1966, with Shelley Waldman as her alternate. Vigorous campaigns for Student Council offices resulted in the election of John Richards as President and Bart Gordon as Vice President. The fruits of our year's efforts were realized as the Class of 1966 was presented with the newly-established Leonard B. Smith Award.

Senior Class officers Glenn Lytle, Dave Cross, Skip Sturman, and Linda Williams led us in a final attempt to avoid an assessment. Our fund-raising projects included the sale of "Brighton-Pittsford Post" subscriptions, a paper drive, and a movie. Our second place Varsity football team was spurred to victory by cheerleaders Kathy Hutchins, Tracy McBride, and Linda Williams. Homecoming weekend was a great success, as Karen Coleman reigned over the gayest and most profitable Homecoming Dance in BHS history. Four one-act plays constituted the traditional Senior Production. And so we concluded four momentous years at BHS and we remember:

Dear Ross,  
 Too bad you didn't get  
 on student council this year. It's  
 been a long time since a soccer boy  
 did anything around here. I want you to  
 plug up that sieve in the goal left by Steins  
 However a goalie  
 shooting range (compensable  
 ball player) You also  
 court next yr. I hope to see  
 lost 50 in a row or so.  
 Ross, really, you make me  
 proud of our street again.  
 All we had was Jeff Sloan  
 Pauline, J.V. letterman but  
 before you. I.V. letterman but  
 no variety. Keep up the good  
 work. Teach your brother how  
 to do something except read  
 his dirty magazines.

Loss,  
 I won't say I enjoyed  
 sitting next to you in  
 physics class. I'll just  
 say it was an experience.  
 I have lines all over  
 my notes where my pen  
 just happened to slip.  
 Good luck on the Physics

 and maybe I'll be for-

JOHN BUTTRILL

#### LINDA WILLIAMS

A bubbling personality, lots of school spirit, and a willingness to give of herself — these are the qualities which have made Linda such a popular member of our class.

#### JOHN RICHARDS

Wherever the action is, John is. Energetic and affable, he has given selflessly of his time and talent to school activities, ranging from the athletic field to Student Council.

#### PAULINE YU

Number one in the class of '66, Pauline has excelled in all facets of BHS life. Her talents have been of particular value as Editor of Crossroads and Secretary of Student Council.

#### DAVE CROSS

Bright and dynamic; these words describe Dave Cross. Who else could have climbed mountains in Switzerland, been elected class Vice-President, and maintained a high scholastic average all in one year?

#### JANET ESSLEY

In both spirit and playing ability, Janet has made great contributions to the BHS girls' athletic program. Besides her athletic talents, she has a flair for poetry and is one of the top students in our class.

#### JOHN BUTTRILL

Whenever sports are discussed at BHS, John's name is sure to be mentioned. His ability was proved by his outstanding participation on the football, wrestling and baseball teams.

#### TERRY SLESINGER

"I am persuaded that every time a man smiles — but much more so when he laughs — it adds something to this fragment of life." — Sterne. Terry's smile and good sense of humor have won her many friends and have added much to the spirit of our class.

#### BRIAN HUNT

Brian is a fun-loving, gregarious person, whose sense of humor has made him a welcome member at all class activities. His school spirit has been demonstrated by both his performance on athletic teams and attendance at other school events.

#### HELEN HOOKE

From playing Bach's music on the guitar to Beatle music on the violin, Helen has added an original twist to the musical endeavors at BHS. She is, in addition, a fine student and an outstanding performer in girls' athletics.

#### ARNIE SPOKANE

Throughout his four years at BHS, Arnie has proved his musical talents in numerous ways. Included among these were his lead in "The Music Man" and his excellent performances in Brighton choral groups, All State Conference Choir, and Spotlight on the Student Assemblies.

PAULINE YU

Anything worth doing is worth doing well. Pauline is active in almost every phase of life at BHS. Every job she tackles, she does with enthusiasm and dedication — from Editor of Crossroads to Varsity Cheerleader.

JOHN BUTTRILL

John is one of the most versatile members of the class of '66. He is a natural athlete, an honor student, and is an active participant in Student Council activities.

MARGIE YOUNG

Margie is a charming, bright girl, who can be counted on to do any task well. Her competence was especially demonstrated by her work on Galaxy and on Student Council.

GLENN LYTLE

Glenn has proved himself a devoted and efficient worker as President of the Senior Class. His excellent citizenship was acknowledged when he received the Veterans of Foreign Wars Award.

JUDY BARNES

Ever since grammar school, Judy has been giving life to school publications and activities. Her posters, drawings, and cartoons, as well as her enthusiastic spirit have added much to the success of the Senior Class.

ROGER ESSLEY

Whether doodling, working on posters for school functions, or cartooning for Trapezoid, Roger has demonstrated his artistic talents. Besides these contributions, he has participated on athletic teams and in numerous class activities.

ILIA SALOMONE

Acting is a difficult art. It takes a sensitive person, who has an understanding of people, to reach an audience. Ilia possesses these qualities, plus an innate talent for acting, which combine to make her the fine actress she is.

DAVE CROSS

Dave has been very successful in the numerous plays and musicals in which he has participated at BHS. This success is a result of his natural ability to assume the personalities of the characters he portrays.

KAREN COLEMAN

There is no denying the fact that Karen is one of the prettiest girls in our class. BHS students recognized her attractiveness and poise and elected her 1965 Homecoming Queen.

JOHN RICHARDS

Handsome and well-dressed, John is a popular member of the Class of '66. His poised and engaging manner, as well as his friendliness, helped him to be elected President of the Student Council.

TOM HÜNIG

We all know well the Brighton sophomore who closely resembles Ilya Kuryakin. He is Tom Hünig, who left his home in Würzburg, Germany to attend BHS for one year through the Rochester-Würzburg Sister City Program. Naturally friendly and gregarious, Tom, with the help of his American brother Tom Bullen, soon became interested in a variety of activities here at Brighton. Among these were the JV soccer team, the Square Dance Club, and the German Club. He also added his talent as a cello player to the Orchestra and Symphonette. Tom noted two differences about life here in the United States as compared to life in Germany: the coed classes, which he preferred to those of his all-boy school in Würzburg, and the larger cars, buildings, and appliances. Poised and interested in people, Tom gained the friendship of all who met him, and he in turn is grateful to all the students, teachers and administrators who have made him feel at home at BHS.

## Teenage Diplomats

CECILIA VARAS

From her home in Talcahuano, Chile, Cecilia Varas came to the United States to represent her country as an American Field Service diplomat. Cecilia, who spent the year with Diane Caldwell, often appeared quiet and reserved, but those who knew her well were delightfully entertained by her sense of humor.

Cecilia found her life here quite different from the way it was in Chile. She was particularly delighted by the snow, which she saw for the first time while here, and the five-day school week — in Chile she attended school Monday through Saturday. Her activities at Brighton included membership in the Senior Choir, the Spanish Club, and the Biology Club.

In July Cecilia will return to Chile where she will attend the university in hopes of becoming a pediatrician, yet she will always remember her year here at BHS. She said, "I love to be in this place and I want to thank everyone very much. . . . I will remember this year as my best."

BÖ WAHLSTRÖM

In late November, Bö Wahlström, a tall, personable, Nordic blond, arrived at Brighton from Sweden and soon fit in easily with life at BHS. An avid skier and sailor, Bö stayed with Janet and Roger Essley and was welcome with everyone, especially the girls. An outstanding student, Bö earned the highest marks of any student at his school in Sweden in 100 years and has been carrying a full schedule of courses here at Brighton — A.P. Biology, Team Teaching American History, French III, and English IV.

After returning to Sweden, Bö intends to finish his studies in the gymnasium, the Swedish equivalent of our high school, and then hopes to study law here in the United States at Harvard Law School.

Under the direction of Miss Young, the English Department devotes the first three years of its curriculum to the study of American and English literature and the fundamentals of the language. This year, the seniors were introduced to a new rotating program concentrating on the study of the humanities.

The seniors studied man's relationship to art, music, nature, religion, society, and himself. Movies, speakers, and trips to open concert rehearsals enhanced the program. Also included under the department are courses in journalism, public speaking, dramatic workshop and senior reading.

## Galaxy

The **Galaxy**, Brighton's literary magazine, offers BHS students an opportunity to express their talent in prose and poetry writing, art, and photography. Contributions are rated anonymously, and those judged to be the best are printed. Prizes are awarded for the best contributions in each division. This year's staff, under the editorship of Margie Young, initiated a cover contest, placed contribution "mailboxes" in the main office and library, and worked on new ideas for lay-outs.

## Librarians

Miss Rice

Mr. Davenport

Miss Rice and Mr. Davenport aid both students and teachers in locating books and other reference materials in the library. A remodeling of the library made it a better place for study. Among the improvements were the installation of wall to wall carpeting and more study carrels.

**STANDING:** Mr. Bruce, Mr. Miner, Mrs. Dressler, Mrs. McMillion, Mr. Marling. **SEATED:** Miss Shafer, Miss Burnham, Miss Upson, Mr. Hynes.

By understanding the problems of men and nations, both past and present, we will be better equipped to face those of the future. The Social Studies Department, under the direction of Mr. Hynes, seeks to help each student develop this understanding through the study of the history of mankind and the relationship of our country to other nations. This year the American History team teaching program was expanded to include more students, while large group and seminar instruction remained a feature of the senior elective, International Relations.

# Science Department

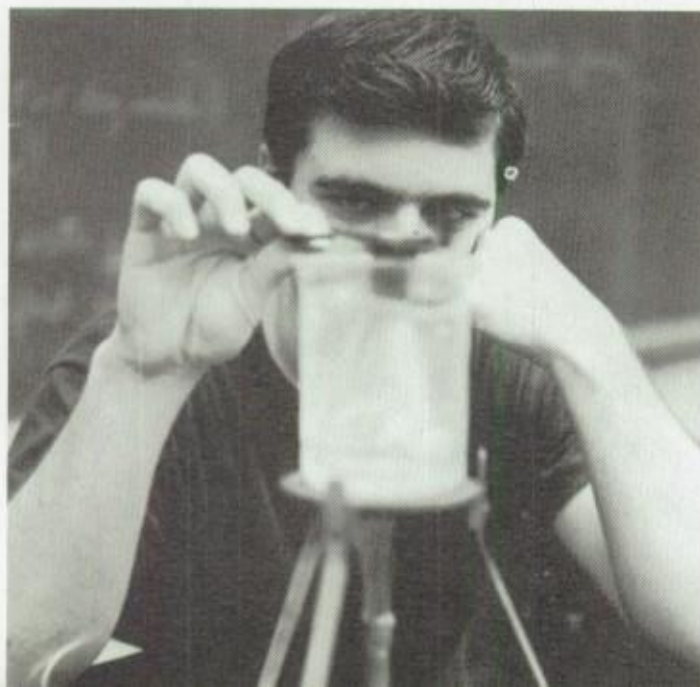

Over the centuries, man has attained great goals in the field of science, yet every new discovery has led to more unanswered questions. Under the direction of Mr. Callahan, the Science Department strives to teach the students some of the rudimentary knowledge accumulated by man and to provide interested and qualified students with the means of further study. Revised courses in physics and biology, based on the experimental PSSC Physics and BSCS Biology courses, respectively, team teaching in biology, and AP Chemistry and Biology were among the courses offered this year..

No longer is it sufficient for man to rely solely on his native language for communication. Every day, as we are brought into closer contact with people from other countries, it becomes more important for us to be able to converse with them in their own tongue. The Language Department offers classroom and laboratory instruction in Latin, French, Spanish, and German. The goal of the department is for each student to acquire proficiency in a language and have a knowledge of the history, literature, and customs of the people of the country.

## Art Department

Because of its universality in language, visual art has always been one of man's most important means of communication. The Art Department strives to make the student aware of art's importance and the enjoyment it can bring through a wide variety of courses for all students interested in art as a profession or a hobby. Mr. Smith aids his students by encouraging them to develop their creative ability. Through the art courses, the students foster this ability and learn to sharpen their sense of perception. They are taught the use of different media through which they discover new techniques for self-expression and new ways to creatively change their ideas into art forms, expressing both feeling and action.

Few things are impossible to diligence and skill.

## SERVICE

Dear Ross,

Well the year is finally over and I am glad to see that in this yearbook to managed to keep your mouth shut for the pictures. I'm sure there is one part of this year you will never forget (January) I think the whole class was against us. Everyone had to add their two cents. Then Friday night came and what happened, a sm snowball fight. That was something. I have never been so soaked in my life.

After all that we managed to stay Friends (minor miracle) and I hope it always remains that way. Maybe next year we will be in the same Math class again or maybe we will share another winning Soc. St. teacher (Mr. Vost)

Have a wonderful summer and good luck on finals.

Love,  
 Dean

P.S. remember to behave over the summer

Top performance of the year was the 13-6 victory over otherwise undefeated Canandaigua, while the sole losses were to East Rochester and Newark. John Buttrill, Pete Sullivan, Chad Weller, Pete Gentile, Curt Welling, Nat Quick, and Brian Hunt were the nucleus of this aggressive and experienced squad.

## Homecoming 1965

A spirited pep rally and bonfire Friday night set the enthusiastic tempo that prevailed throughout this year's Homecoming Weekend. A parade of class and organization floats, led by the band, majorettes, and the cheerleaders preceded Saturday's game against Eastridge. Following the parade, an enthusiastic crowd watched John Buttrill, Nate Quick, and Larry Baxter lead Brighton's Barons to a 19-7 victory over the Lancers. At halftime the sophomore class was awarded the prize for the best float, and senior Karen Coleman was crowned 1965 Homecoming Queen. Saturday night's dance, with music by the "Quirks," concluded the weekend's activities.

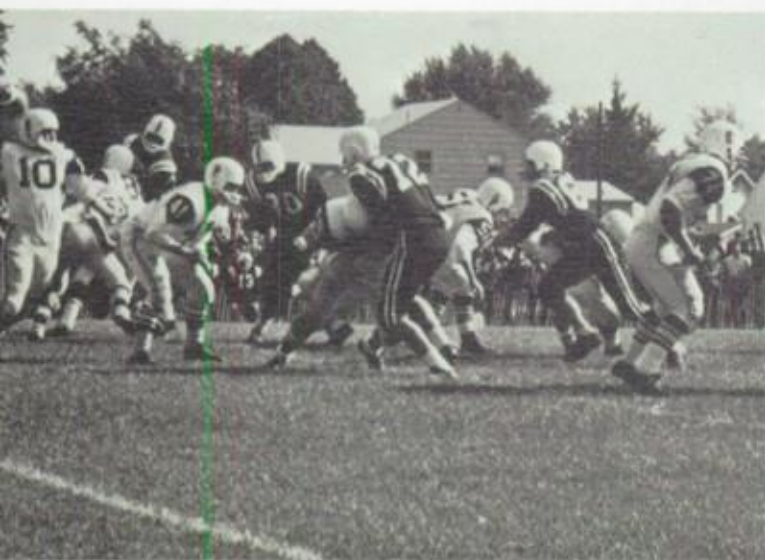

*This great year with you reading the Press and Post everywhere even if no one listened. Basketball was fantastic and you were a big star. Besides that you led us through a great year's book on your finals (as if you heard it) see you next year.*

Coach Hill's harriers, led by Fred Reissig and Stu McDonald, finished with an impressive 5-3 record and came in second in the County and Sectional Championships. Though somewhat handicapped by the loss of most of last year's starters, a number of outstanding underclassmen boosted the veterans to a winning season.

The team was led by seniors Chad Weller, Larry Karz, and Fred Reissig, and juniors Greg Novak, Greg Smith, Gary Sarachan, and Gil Wood.

I do to wish that the only class I had  
you in was gym, and those are the

## Ski Club Officers

With 130 members this year, the Ski Club boasted the largest following of any activity here at BHS. Its most successful venture was the continuation of weekly lessons at Bristol.

Pres. B. Kerr, Vice Pres. G. Stratton, Treas. D. Stigler, Sec'y L. Heyer.

## Wrestling Team

Experience and hard work have remained the keys to success for the Varsity Wrestling team. Under the tutelage of coaches Herb Carlberg and Tom Dollar, the 65 boys out for the Varsity and J.V. squads had suffered only one defeat by midseason. The Varsity Wrestling squad is one of the few teams that can boast that it has never had a losing season since it began at Brighton in 1959. Standouts this year were Ed Brown, Pete Sullivan, Pete Lewis, Bill McGuire, and captains Ed Appelbaum and John Buttrill.

**TOP ROW:** R. Clark, H. Bunis, C. Lewis, J. Rinaldis, R. Bunce, J. Berner, B. Dutcher, A. Hernandez, T. Barge, B. Margolius, J. Harrieff, M. Stryker, D. Fernandez, R. Lawton, M. Solan, F. Dear Ross,

6/7/66

I'm taking a chance & writing this note under the eagle eyed Major Miner (Soc. St.). It was fun having you as a goalie during soccer this year. You really were good! Then came winter, and you became a basketball hero. I loved you in your skimpy uniform & your skimpy bod. But the most fun come when you sat behind me in S.S., O well, I hope to see alot of you this summer

& good luck on finals.

Pete Lewis

P.S. Hope you get your wheels soon!

## JV and Freshman Swim Teams

MacConkey.

## Varsity Swim Team

Coach Stearns' Varsity swimmers showed excellent physical and mental preparation throughout the year. Led by co-captains Bob Castle and David Rothstein, the Barco finmen were top contenders for a section championship and sported a 3-1 record by midseason. The outstanding swimmer was Lytle who was super great.

Ross - too bad you couldn't have played Hi-Y B-Ball instead of your brother. Maybe we could have won more often. Keep playing B-ball all summer so you can start on Clarence's team next year. Best of luck always  
Tom Hilman

Ross,  
It has been an interesting year with Gibrand. aside from overdoing the books and making us take tests she didn't tell us about, she was OK.  
You did great in B-Ball this year, and you will be a big gun on next years Varsity team. Best luck for finishing all you begin.

As B4,  
Jim Dille

## Tennis Team

The Baron netmen posted an outstanding 10-2-1 record in 1965. Led by All-County selection Rich Perlman, the squad shows great hopes for the 1966 season as it was composed entirely of underclassmen last year. Outstanding players were Perlman, Elcon Levinson, and Dave Rothstein.

**BACK ROW:** E. Levinson, D. Rothstein, J. Gordon, R. Courtheoux, J. Olsan, J. Hamburger, N. Seide.  
**FRONT ROW:** S. Hill, J. Friedman, H. Schwartz, M. Rick, Coach Cox.

Even though I wasn't in any of your classes it was still great knowing you in Gym, I. H. and Lunch. Good Luck on Finals and have a great summer. Howie*

## Golf Team

Brighton's only championship team in 1965 was Mr. Marling's once-defeated golf squad. Paul Braverman, number three man in Monroe County, was a member of the All-County team that won the Section V tourney. Hopes for this year are better than ever as last year's entire starting squad will return. Starters were: Paul Braverman, Jeff Tomkinson, Steve Wurtzman, Greg Smith, and Rob Kowal.

**TOP ROW:** S. Wurtzman, J. Snyder. **SECOND ROW:** J. Tomkinson, G. Smith. **FIRST ROW:** P. Braverman, J. King.

## Track Team

Individual talent sparked the Varsity Track Team although the record books show only a moderately successful season. Outstanding performances were turned in by Jim Present, Barry Gan, Darrell Stigler, Dave Ryon, Fred Reissig, Paul Peterson, and Brian Hunt.

*Ross, I've been  
fun being

## Varsity Baseball

The Baron nine played several outstanding games in posting a less-than-spectacular 6-10 record. Highlight of the season was a narrow 1-0 loss to the league-leading Rush-Henrietta Comets. Standouts on the team were Paul Reissig, Dave Geiser, Bob Cohn, Merritt Diamond, Larry Baxter, and All-County choice John Buttrill.

# Girls' Physical Education Department

Once again the Girls' Physical Education Department has completed a successful year. As well as endeavoring to keep the BHS girls physically fit, the department has stressed sportsmanship, participation, and enjoyment. This year field hockey was added to the intramurals roster to supplement the already active program which includes: soccer, volleyball, basketball, and baseball. In addition to the intramural program, the department planned special sports days on which selected BHS girls competed with girls from other schools. This interscholastic competition helped to complete the girls' sports program.

## G.A.A. Council

This year the GAA Council consists of nine girls. The girls were chosen by their classmates last spring and inducted at the Girls' Sports Assembly. Led by Carol Bonnar, the GAA Council served to balance out the girls sports program. The council is responsible for selling candy at home basketball games, programming the GAA Open House, and conducting the Girls' Sports Assembly.

## Junior Leaders' Club

The Junior Leaders' Club consists of sophomore girls who showed athletic leadership in their freshman year. Under the direction and leadership of co-captains Kathy Hutchins and Linda Williams, the Varsity Cheerleaders helped revive BHS's dying school spirit. The cheerleaders were responsible for leading the cheers at all football and basketball games, leading pep rallies, and making posters for all interscholastic sports. The cheerleaders also made our school mascot.

Hi Ross,

## Water Ballet

The Water Ballet Club, led by president Carol Bonnar, meets once a week in the fall to improve the skills used in the spring show which is presented in May. Later in the year the girls meet every day to practice the numbers for the water show. With Margaret Olsan as student director, the club skillfully presented "Mary Poppins" at its annual Water Ballet Show.

Rosie - well, since you forced me to do this I'll have to right something real. It was a great year in math and you play "B-Ball" - you're very athletic, and some watching - wonder-ful, and we can't be perfect. I'll have to in some of your classes next year we have as much fun. I'll never forget the way you looked after swim-ning. I have to all over Sat. a go-

 Ellen isn't that unique a name.)

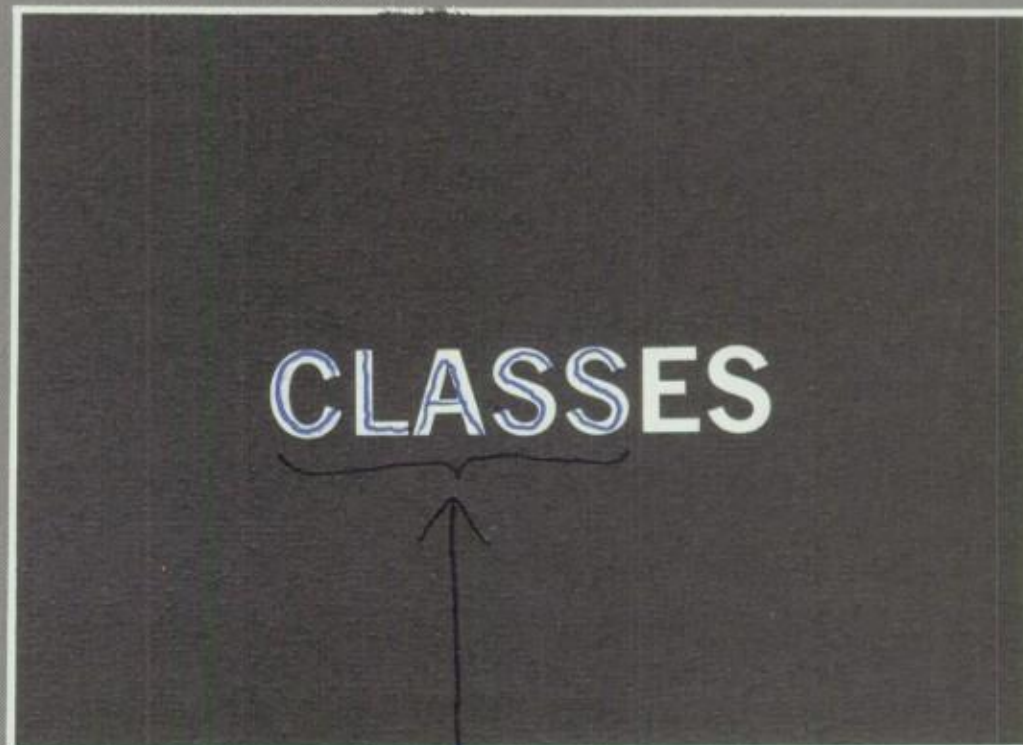

Well, Ross, we weren't in any CLASSES together this year, but Confirmation sure made up for that. Every Saturday morning for 3 hours - have you ever been so happy as when that Confirmation service was over?

Things didn't turn out too well with the nominating Convention but maybe you'll have better luck in attaining some Class position.

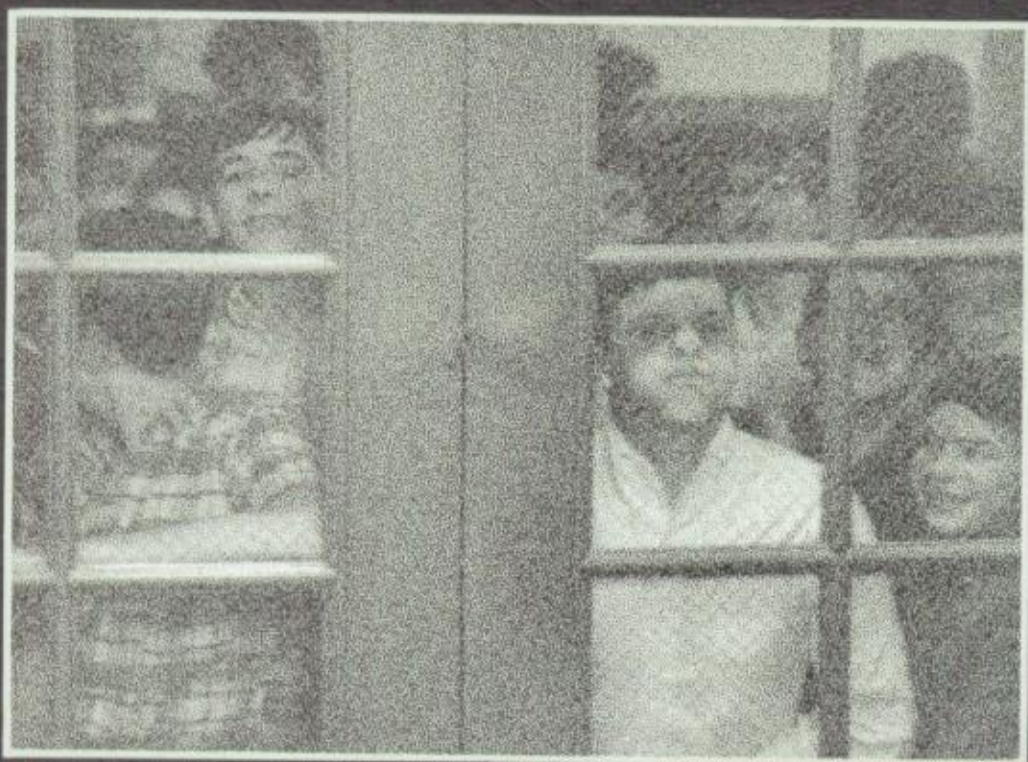

Lots of luck always...

Jimmy

## Class Officers

### Junior Class

Looking ahead to next year, the Junior Class continued with their money-raising projects. One of their major projects was a candy sale. Their major social event was the Junior Prom.

Treasurer K. Forbush, Secretary J. Colgan, Vice-President J. Friedman, President P. Lewis.

### Sophomore Class

The Class of 1968 once again won the trophy for the best float in the Homecoming Parade. The sophomores also worked enthusiastically on their magazine sale — their major money-raising project of the year.

President B. Bernhardt, Secretary D. Yu, Treasurer A. Basye, Vice-President A. Bruins.

### Freshman Class

As with all freshman classes to enter Brighton, the major concern of the Class of 1969 was to begin to earn money needed in their senior year. The major event of the year was a class party at the end of January.

### Just in your lifetime

you have known great acts of violence—Korea, Hungary, Tibet, Viet Nam. And you have been aware of great acts of human kindness—the Marshall Plan, Berlin air lift, the Peace Corps.

There have been horrible inventions to kill man, like the hydrogen bomb. And marvelous inventions to save his life, like polio vaccine.

Man has flown higher and dived lower than ever before. He has traveled faster and farther.

All in your lifetime.

Advances have often been striking, and reversals tragic, but you had no part in them. You were only a spectator.

Now, you have a chance to play a responsible role in events of your generation—events that promise to overshadow anything that went before.

Love always, (Ha! Ha! how romantic!)

P.S. Someday I'll  
you h

Unlike the modest opportunities of the past, yours will be limited only by two key factors.

One is education; the other resourcefulness—keys that together will enable you to unlock any combination; to plan, to weigh, to judge, to think.

Most of all to communicate.

Your school has tried to do its part. Now it's up to you. Growing organizations like Xerox, leaders in mankind's continuing search for better communications, are looking for educated talent—the more educated the better.

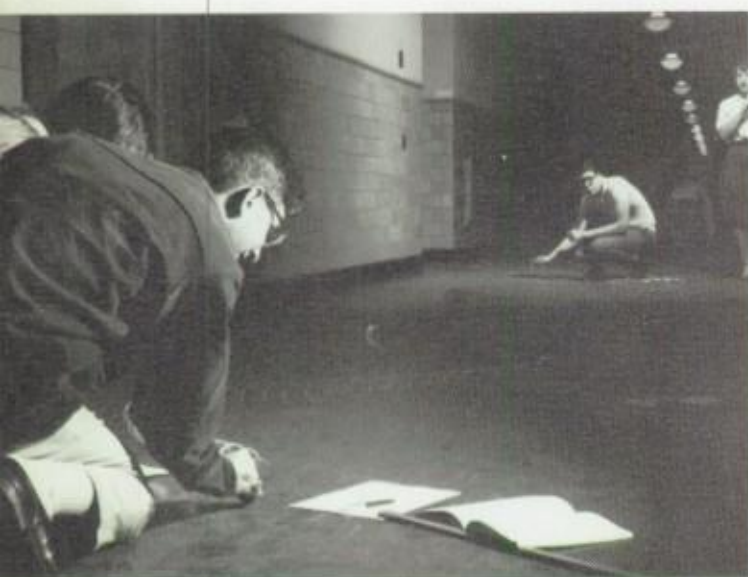

Through the science of xerography, we have made enormous strides during your lifetime. To continue, we will need educated, resourceful, imaginative people.

You, perhaps.

Good luck, graduate!

Never before has it been so necessary  
to know how to get a job . . .

Now comes the time of decision for your career ahead. It will probably be one of the most important decisions you will be called upon to make. Fortunately, you live in a land where freedom of choice and opportunity are almost unlimited.

Of course, anyone's "first job" is to get his basic education. Congratulations to you who get this job well done.

Now, how about the next step?

Career opportunities in Rochester, with its many and diverse industries, commercial organizations and professions, should interest almost any student. Most Rochester companies are recognized for their high standards and advanced technology. It follows that standards for employment are high too — and a good education tops the list.

An employer knows what kinds of people he is looking for. The student ready for a career should have an equally good idea of what he or she is looking for. Consulting with parents, counselors, friends, and with employers themselves will reveal what kinds of positions are available in what kinds of organizations. Evaluating your abilities and appraising your readiness for the career of your choice is the key to your future. There is no door it cannot unlock — when the key fits!
